

# National Map 1:10'000 (color)

## Conventional signs

The symbols of the topographic maps at the scales 1:25 000, 1:50 000 and 1:100 000 are explained in this brochure. The symbols appearing on maps at other scales are explained on those maps.

As of 2014, national 1:25 000 maps have been published in a new cartographic design. There are therefore two different legends. The new legend can be found on the reverse of the leaflet.
